From the Staff

Ms Burcher's Absence

Ms Burcher's leadership skills have been called upon as she takes up the position of Relieving Principal at Sofala PS for the remainder of Term 4. We wish her well and look forward to her return in 2015. Mrs Atkins will be teaching Yr 6 in her absence.

Grandparents Day

Yesterday we celebrated Grandparents Day and were thrilled to see so many grandparents and 'adopted' grandparents visiting the classrooms and reading with the children. This was followed by a very enjoyable morning tea and, of course, the eating of cake! Grandparents play a very important role in nurturing and supporting our children as they grow and we welcomed the opportunity to invite them into the school and to say THANK YOU.

Selective High Schools.

If there is anyone who would like to sit the Selective High School Exam for students entering year 7 in 2016 please contact the front office for details.

Sporks & Foons

Well hopefully I have your attention now! There is hardly a day goes by when at least one or two students need to ask for a fork or spoon to eat the wonderful food you have packed for their morning tea or lunch. Please, please make sure you supply suitable cutlery to enable the enjoyment of the food you pack your children.

Perpetual Sports Trophies

As we are nearing the end of the year and getting ready for Presentation Night, we would like to request the return of the perpetual sporting trophies so they can be prepared for this year's recipients. Thank you.

Costumes

It is that time of year again where the sewing machines are lined up in the hallway with staff and parents madly sewing costumes together. If you are someone who is good with a needle and thread or who has an eye for fashion and costumes please let the staff know and get involved. All help is greatly accepted and a BIG THANK YOU to everyone who has already volunteered. Just a reminder:

This year our theme is **'Circus'**.

Class K/1 will be crazy clowns.

Class 2/3 are trapeze artists & strong men.

Class 4/5 are hungry lions & scaredy-cat lion tamers.

Year 6 are circus performers, jugglers, stilt walkers, flame eaters.

Swimming Program—Date Change

Can anyone sending in the Swimming Note please adjust the date on the original note so we know you are aware of the change? The program will be running from Monday 17th November to Friday 28th November.

From Grandparents Day: Aleisha shares a story with her Pop, Ivan and below, School Captains, Molly & Tyron, cut the huge cake, looked on my just a few of our grandparents.

INFANTS SPORTS DAY

Next Thursday, 13th November, the Infants students (Years K-2) will be travelling by bus to Kandos Public School for our annual combined sports day. This is always a fun day with lots of exciting activities. Parents and family members are welcome to come and watch.

YEAR 6 TRANSITION TO YEAR 7 DAY

A special visit to Kandos High School for our Year 6 students has been organised for next Wednesday 12th November. Students will travel by bus to the High School for the morning for a mini orientation program. This is in addition to the full Orientation Day on Tuesday 18th November.

CHOIR AT STREETFEAST

Last Saturday the children from grades 3, 4, 5 and 6 were asked to represent Rylstone Public School by singing as a choir. The children have attended choir lessons every week (for the whole year) and it was a great pleasure to be invited to sing as part of the entertainment at Rylstone's StreetFeast. We had a very good representation on Saturday and I would like to congratulate the children on both their singing skills (they sounded wonderful) and their individual presentation. At the conclusion of our set of songs, Tyron Reynolds (our school captain) was presented with a cheque which was a donation to the school in appreciation of the children's efforts and melodic sounds. On Monday morning, Tyron then presented that same cheque to Mrs Balfoort for it to be added to the children's fundraising efforts to purchase a shade cloth to cover the sandpit. It was really pleasing to see that such a large number of our students were so ready to display their positive school spirit by representing their school so magnificently in their own time.

Whining

One of the most common complaints you hear from parents is that they can't stand their children 'whining' when they want something.

Although whining can sometimes occur when children are:

- overtired,
- Hungry, unwell, or
- don't have the words to say what they want

Whining is also a way of getting attention and if it works, it is more likely to occur in the future.

The key to reducing whining is to praise children when they speak in a pleasant voice when making requests. When your child approaches you in a whining voice, simply prompt them to use a pleasant voice. The most obvious thing to do is that the child doesn't get the thing they were asking for.

If the child becomes upset, ignore the protests and complaints. When the child asks pleasantly, decide then whether it is a yes or no. Be consistent and don't be bullied or manipulated by your child. *From Triple P "positive parenting program"*
