### Presentation Night

It's not long now until our famous presentation night. I thought I'd take a few moments to outline the proceedings for those families new to our school. The night begins at Rylstone Community Hall at 6pm. Students need to arrive by 5.45pm and must wearing their best summer uniform. Please note: entry is only through the front door. Please take a few minutes to buy tickets in the P&C Christmas hamper raffle, as all proceeds go to our school P&C. We don't charge entry to the hall and this is a fabulous opportunity to support our school. Donations for the hamper will also be gladly accepted! The 'formal' part of the evening usually goes from 6pm and finishes about 7pm. There is a light supper organised by the P&C and children use this break to have a refreshment and get changed into their costumes. The play normally starts at approx. 7.30pm and will conclude about 8.30-9:00pm. It is a very long night and normally VERY hot. Help packing up the hall is also

greatly appreciated. A note outlining the events in detail will be sent home closer to the date.

### Report Update

Your child's report will be sent home on December 14th. Please be aware there is a slight change to the headings inside. The first column is Working Above (WA) the middle column is the same Working At (AT) and the final column is now Working Towards (WT)

### Agapanthus

Thank you to Janelle Hinton who has kindly donated some agapanthus for our gardens. If anyone is wondering about the mess that is our front garden, we are (still) waiting to install the wooden sculpture. Once that has been done we will be creating our 'Sensory' garden with the grant provided by the Variety Club Postie Dash.

**NO NEWSLETTER NEXT WEEK**  
Please note due to the Financial Rollover, Ms Grant will not produce a newsletter next week. Only a small 'information' newsletter will go out.

### Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$70 for school-aged children and \$50 for preschoolers (prices exclude pool entry fee).
