From the principal's desk...

Please note: This is not our regular sized newsletter as our editor, Ms Grant, is doing end of year rollover...

Presentation Night

As mentioned in last week's newsletter...don't forget Presentation Night and the school play are held on the same night. The Presentation ceremony is first and goes for approximately an hour. There is a short supper and then the play commences. Please don't hesitate to contact the school if you need any further clarification.

We are also after a 'throne-like' chair for Santa for the play. If anyone has an old peacock cane chair or high backed style chair we could borrow...please contact the school.

Similar to this.

Captains Speeches

Captains speeches were held this morning and we were most impressed with their quality. It will be a tight result I imagine! Captains will be announced on Presentation Night.

SRC

Don't forget Market Day on 15th Dec. Children can bring old toys, books, drinks, food etc. to sell on the day, but nothing can cost more than \$5.

Children can hire a stall for \$2 and keep any profits they make!

SRC will be running a Choc Drop, lucky sticks and lucky numbers on the day.

Then on the 16th Dec (last day of school) the SRC will hold their annual Talent Quest which is always a fun way to end the year!

Home Reading

Home Reading will finish on Monday 5th Dec. There will be no more formal home reading after this date.

Learn to swim

Learn to Swim will finish tomorrow Dec 2nd. I would like to thank Leanne Neisen who volunteered her time (and patience!) to help out. Thank you to Rachel Johnson, who even though she has just had her beautiful little baby girl, agreed to help us out as our AustSwim certified coach for the program.

And of course, a HUGE thank you to Ms Burns, Mrs Atkins and Mrs D'Illo, who in between teaching, writing reports, practising for the play and end of year assessments, went swimming every day to ensure our children had access to this important program. Thanks girls...you're troopers!

Please don't hesitate to contact me on jodee.murrie@det.nsw.edu.au or make an appointment at the office on Ph: 6379 1404

Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$70 for school-aged children and \$50 for preschoolers (prices exclude pool entry fee).
