Lunchtime change

Thank you to everyone who has supported our trial lunch time change over the past few weeks. We have had mixed reviews with some parents liking the more frequent breaks and others not so fond of it. Thank you to those parents who gave us feedback either way!

Although it suited students who needed frequent short breaks, it has not suited all students, with many finding the multiple breaks difficult.

After last night's staff meeting, we have decided to go back to our original lunch times. We will however, maintain eating lunch in classrooms, which has proved very successful. So those parents who deliver lunch will still have the basket in the office for lunch drop off.

From day one next term we will return to:
recess from 11:00-11:25am
lunch play 1:15-1:50 pm.
Eating in class will be 1:00-1:15 pm.

Again, thank you everyone for your support.

Reports

Student reports went home on Monday. I hope everyone made some time to discuss the reports with their child and take the opportunity to congratulate their child on their success and hard work. Thank you for the positive feedback and the new format seems to have been received well. Thank you to teachers who spent a long time fixing last minute format tweaks!

Wellbeing Wall

We still have a very empty 'Parent and community' section of our Wellbeing Wall. The wall is in the corridor outside the 3-4 classroom. Next time you are at school; pop in and use this opportunity to have your say. Your contribution is highly valued and will help us drive our school on our 'wellbeing' journey.

Primary Principal Meeting

Last week 30 principals from the Bathurst area came to our school for a meeting. The day was a great opportunity to showcase our town and some of our local food producers. The principals toured the school and were most impressed with our classrooms and students. Many commented on how technologically rich and 'current' our school was and how polite and respectful our students were.

The principals then went to yum-cha for lunch and had a very 'unique' Rylstone experience!

I was very, very proud and want to thank both the staff and students for their brilliant work.

School holidays

Stay safe and warm these holidays and enjoy your time with your children. Hopefully, you'll be the lucky one enjoying the SRC trailer of firewood! As the first Monday back is a staff development day, students return to school on Tuesday 19th July.

Kindergarten

We made it! Yippee!!!! Kinder have been at 'big school' for 6 months!! Hasn't the time flown?

Thank you to the parents, grandparents and friends that joined us for our Assembly on Friday. We had a lot of fun and hoped that you enjoyed our performance too. We LOVE performing!

This week we have continued to revise our sight words and sounds as well as continuing to practise our handwriting. We have also been practising our numbers. We have learnt all about o'clock on the analogue clock. We are getting pretty good at telling the time and can't wait to learn more about it after the holidays.

We have also made our secret tree forts after reading the book in class. This was lots of fun and can't wait to show you them in the holidays.

Enjoy the holidays with your wonderful children. I can't wait to be at home with mine!

Stay warm. Enjoy sleeping in. Eat and drink lots of yummy things. And don't forget to practise reading and writing letters and numbers at any chance that you get.

Mrs Suttor

Kinder discover the wonders and bitterness of lemons & limes!

Kinder drawing a stalk of celery.

Class 1-2

Class 1/2 have had a fabulous term and have learnt many new and exciting things. They would like to share some of their work at Assembly tomorrow. You are welcome to come along and see them.

B. Balfoort

All parents and community members are welcome to contribute to our Wellbeing Board

This lemon and lime (above) came from the same tree in our garden.

PSSA Touch Football

Our postponed match against Kandos Public School will be played on Wednesday 20th July, first Wednesday back from next term. It will be at the Kandos Sports Ground from 10am. Transport is still by bus. We will use the previous permission note so if anyone would like to withdraw permission for their child to play on Wednesday 20th July please contact to office.

Class 3-4

Everyone has been working on shapes and angles in Maths as well as continuing on with vertical addition algorithms. The Year 4 students were all successful in completing their perimeter challenge yesterday and were very chuffed with themselves. The children have also been doing some fabulous pieces of writing and then publishing their work on the computers. Quite a number of them have advanced a long way in their Mathletics and their Reading Eggs / Eggspress this term too. Don't forget to keep reading over the holidays to keep your skills moving forward.

the wet weather.*

We have been keeping track of Jarvis' holiday through his postcards and location updates through his friends in our class. He is a bit concerned because he is finding the weather a bit too hot! (Poor petal!)

Mrs D and Mrs Atkins

*A spontaneous seated line from 3/4 after
being asked to bring a chair to assembly.*

Class 5-6

Year 5/6 have been busily writing Information Reports over the last two weeks. They have all written a report on the House of Representatives in correlation with our History unit on Government. It was great to see how much all the students now know about Government and how much their writing has developed.

In Maths we have been learning about Mass and this week we have been focusing on Subtraction. The students have also been working in groups to prepare Election Campaigns ahead of our Canberra excursion next term.

We are all looking forward to a fun filled day tomorrow and can't wait for our pyjama movie night.

Staff Professional Development

Ms Burcher & Mrs Balfoort continued with PBL training via video conference on Wednesday 29th June.

Ms Burcher attended a session on how MiniLit and MultiLit is run in other schools.

Library

The library will be open every morning before the school so children can come and sit in the warm rather than wait out side until the bell.

Also don't forget fabric library bags are for sale at \$10 each. Nana Mal can add students name at an additional cost.

SRC

Everyone is very excited about our movie night on Friday. Please return your permission note and money tomorrow. The SRC are also running a 'circus' tabloid to finish the term off between 2.30 and 3.20pm. This week they have run a touch footy competition. They will be running a raffle for a load of wood on election day at the school. Thank you to Flynn who 'volunteered' his dad to split the wood for us! So pick up your tickets as you vote. They are \$1 ea. What a busy group of children!

Mrs Balfoort

Choir

Thankyou to everyone who came along to the Week 8 Assembly to listen to the choir perform two of their songs. The choir also performed for the recent Bathurst Primary Principals Council Meeting that was held at RPS the following Tuesday. The children are getting together quite a repertoire of songs they know. I have been impressed with their enthusiasm for choir each week this term.

Rylstone Public School is the polling booth for this Saturday's federal election.

Polling Booth Fundraisers

Rylstone Public School is the polling booth for this Saturday's federal election. Voting will take place in our school hall. The **P&C** will be holding a sausage sizzle and the Rylstone School **SRC** will be raffling a trailer of firewood. Thank you so much to Trent O'Brien for chopping up the wood...BY HAND... so that he didn't disturb the students in class!! **Come along and support our school P&C and SRC!**
