Wellbeing Wall

All parents are invited to contribute to our 'Wellbeing Wall'. Mrs. Balfoort has created a fantastic wall in the corridor outside the 3-4 classroom. It is a place where students, staff AND parents can have a say about any behaviours that they feel are troubling at our school. Many students have already contributed and our wall is slowly growing!

Please feel free to come along and write up anything that concerns you...BUT...the one hitch is that you need to write a possible solution as well.

New Eating times

As per the note that went home last week, we will be trialing a new eating

schedule until the end of term. We will have 3 breaks throughout the day and lunch will be eaten inside in class. At the moment the students absolutely love it...it's we teachers who are struggling with the changes!

Thank you to those parents who are not going into the classroom block to drop off lunches. We have a basket in the front office available for lunches and so far it is proving quite successful.

Visitors to our school

On Tuesday 21st June the Bathurst Primary Principal Association will be meeting here. It's an exciting opportunity for the principals from up to 30 schools to come and see how we operate at our school. I am very excited and proud to

'show off' our school, its students and especially our fabulous staff. Principals will be touring the classrooms and grounds before beginning our meeting in the hall.

Reports

Class teachers have spent many late nights and long weekends finalizing student reports. A sample of the new report format was sent home last week for you to view.

Please don't hesitate to contact me on Jodee.murrie@det.nsw.edu.au or make an appointment through the office on Ph: 6379 1404

Kindergarten

Last week we were lucky enough to have Erin Cooper from Kandos High School in Kinder as part of her Work Experience. We loved Erin's creativity and positive nature. She helped every student with their work and was lots of fun.

This week we have been very busy (even though we all had a relaxing day off on Monday – thank you to the Queen!). We have been revising our sight words and

sounds as well as practising our handwriting. We have also been practising our numbers, shapes and measuring. Phew...

With only a couple of weeks left until holidays, we've still got a lot of fun and exciting experiences to enjoy. Stay warm and keep healthy!

Fun activities at lunchtime with the SRC

Class 1-2

We have been looking at the way people cooed back in early Rylstone. This week we followed a procedure to make damper and we also made our own butter by putting cream in a jar and shaking and shaking and SHAKING it. We were amazed to see the changes occur right in front of our eyes!. We have finished our bark huts and they look fabulous displayed in the hallway.

Class 3-4

Year 3/4 have been busily writing procedures over the last few weeks. They have written the rules for one of their favourite games, 'Bin Ball'. It was interesting to read some different interpretations of some rules!

In Maths we had fun learning about lines and angles and 2D shapes. We continue to practise carefully setting out addition algorithms.

We have enjoyed painting our self portraits on a canvas and can't wait to see them hanging in the hall!

Mrs D and Mrs Atkins

Class 5-6

We have had a busy week of learning in 5/6. In Mathematics we have been learning about Volume, Capacity and Mass. We have had lots of fun doing experiments to find out the capacity and mass of different objects around the classroom. In Literacy we have started to write information reports on members of parliament. I am very impressed to see nearly all students achieving their 80% target in their weekly spelling test and submitting their homework each week. Well done year 5/6!

Staff Professional Development

Ms Burcher will be attending a PPA day here at Rylstone where principals will be discussing the Schools Excellence framework.

Library

The library will be open every morning before the school so children can come and sit in the warm rather than wait out side until the bell.

Also don't forget fabric library bags are for sale at \$10 each. Nana Mal can add students name at an additional cost.

CLC Art

Congratulations to Amelia T, Janine, Ace, Lily, Jem, Brienna, Cindy, Amelia V & Haidee who had their art works chosen to represent our school at the recent Cudgegong Learning Community Art Exhibition in Mudgee.

Debating

Our debating teams are busy preparing for their next debate. The topic is "We are doing enough for the environment." In the first week of Term 3 we will debate Mudgee Public School and will be arguing the case for the affirmative. We are working hard on our rebuttals!

Mrs Atkins

Personal Toys / Balls

Please **DO NOT** bring your own footballs etc to school. The school has plenty of school equipment to play with. Bringing your own footballs from home leads to arguments and possibly the loss or damage of your property. The same rules apply to Yu-Gi-oh cards ... whilst it's wonderful to watch everyone play, trading and loss of cards has proved problematic. My advice would be to leave them at home and play a card game from the library.
