Tell Them From Me Parent Survey **The *Partners in Learning* parent feedback survey**

This Term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical

improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 22 August and 21 October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated.

More information about the survey is available at:
<http://surveys.cese.nsw.gov.au/information-for-parents>

Please don't hesitate to contact me on Jodee.Murrie@det.nsw.edu.au or make an appointment through the office on Ph: 6379 1404
