Term 4, Week 6

Thursday, 16th November 2017

From the relieving principal's desk...

### ARPY

I am extremely proud to see that at Rylstone Public School we are achieving great success and pride in upholding our school's expectations of Application, Respect, Perseverance and You're Succeeding. Congratulations to Tehya who was presented with her first ARPY at Friday's assembly.

### Souths Cares—Colgate Oral Health Program

Wednesday 22nd November we will be hosting a session with Souths Cares. An outline of the program is attached to this newsletter. It also has a media release form attached for Parents to complete and return to school on Monday 20th November.

# From around the classrooms.... Kindergarten

If you look outside our room you'll be able to see our latest experiment. We have planted seeds as part of our scientific investigations. We've also been looking at how our food is grown. Today we went to the Friendly Grocers to see how our food is packaged and how we buy it. A big thanks to Sarah and Tracey for letting us look around the supermarket.

Thanks to Mrs Lus for all the time she gives to our garden.

In Mathematics we have been looking at time, teen numbers and revising strategies in subtraction with dinosaurs to help us.

**B.Balfort**

*Our seeds are growing!*

We have been very focussed on writing this fortnight. We've written up a procedure about growing our seeds, a recount about our sports day, descriptions of dinosaurs and free choice topics in Writing for Stamina - what a variety of learning! We have been reading There's a Dinosaur in My Garden and Mr Christofis has organised some fun activities around it for our Daily 5 rotations. Talking about food... We had a delicious time picking strawberries and carrots in our school garden.

*In our safety gear ready to start our seedling experiment.*

## Class 1-2

What a fabulous time we had at the Infants Sports Day! We all had lots of fun with our friends from Kandos Public School. This week we have been looking at Position in Maths. We have been learning the little saying "Never Eat Soggy Weetbix" which has helped the children to learn the compass points—North, South, East and West. We also loved finding the 'treasure' on a map, which was lots of fun!

**Mrs Suttor**

*"We all had lots of fun with our friends from Kandos Public School."*

## Class 3-4

It's all happening in 3-4 this week. We have started to learn our class dance for the end of year school play and have been sorting out our costumes which is very exciting.

In Science the students have been creating their own Power Point on the different contact and non-contact forces. We continue to revise different types of measurement in Maths including length, mass and volume.

I am very impressed with the students literacy during Daily 5. They have quickly adapted to the new structure and are becoming more independent learners.

**Miss Burns**

*3/4 at Gymnastics this week.*

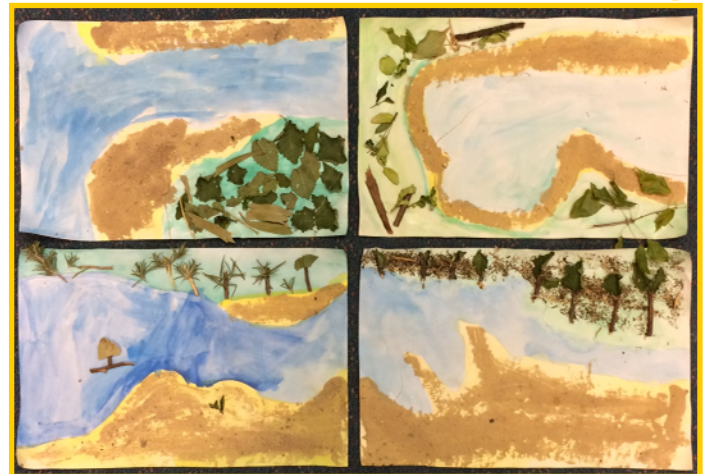

## Class 5-6

It is hard to believe that we are more than half way through the term. We continue to work exceptionally hard during Maths time – revising measurement of late. We are working really well on our Daily 3 Literacy activities. All students are beginning to manage their time to complete writing and reading activities. Students are busily working on their Power Point presentations on an animal of the rainforests.

What a great day we had at the Infants Sports Day! Well done to all our kids for organising the tabloid games for the day, for their positive attitude and the way in which they helped and encouraged the infants children. Two of the staff members from Kandos PS complimented the 5/6 students on both their behaviour and the way in which they interacted with all the students from both schools. They should all be very proud of themselves!

Now play rehearsals begin in earnest!

## Library News

As we are nearing the end of the school year we are needing to get the library reorganised. Therefore over the next few weeks students will be issued with overdue notices from the school library.

If you have any concerns about any overdue notices sent home please feel free to contact the school to discuss it further.

## End of Year Prep.

As we make preparations for our Presentation Night could the holders of Perpetual Trophies please return them to school by Friday 17th November.

"It's always fun to see the wheeling and dealing and who goes home with more treasures than they brought to sell!"

## SRC

### Market Day

Even though it is a few weeks away, the SRC would like to remind you that they will be holding their annual Market Day on Thursday 14th December, as we know, many children have already begun making and organising the things they will sell at their stalls. This is always a fun day when children become entrepreneurs! Children can sell recycled toys, games, books, slices, cakes, crafts, run guessing games... the possibilities are endless. No item can be above \$5.00 and children must have parental permission to sell the objects. On the day SRC will be running games and a choc drop. Selling will begin at 1.00pm. You are welcome to come along and snap up a bargain. Can children please bring a

shopping bag to put their goodies in and also small coins which makes it easier for the children to give change. The cost of a stall is \$2.00 per person and then all the profit they make is theirs. It's always fun to see the wheeling and dealing and who goes home with more treasures than they brought to sell!

### Talent Quest

Our annual Talent Quest will take place on Friday 15th December. Auditions will begin next week.

### Mrs Balfort

## Infants Sports Day

What a great day Kindergarten and Year 1/2 had at our combined carnival. As usual our children were fabulous and participated with enthusiasm. It was a wonderful day where children come together with their friends from Kandos to compete in a variety of sporting pursuits. Thanks to the children from class 5/6 who came at morning tea to run

some fun activities. Thanks to the parents, grandparents and friends who came along to cheer all the children on. It made them feel very important.

### Mrs Balfort

## Costumes

How exciting – sequins feathers and glitter are starting to take over the hall way at school. Sneechers have been seen sneaking around. Children have reported seeing lounging lizards, little lady birds and wild witches outside their rooms! Yes, costumes are underway. A big thanks to all of those parents who have taken on jobs to help with his fun task. There are still some bits and pieces that need doing so if you'd like a job come and see me. I'm also looking to borrow a top hat, some lime green wigs and a Cat in the Hat striped hat. (I'm sure there are some of these lurking in cupboards.)

### Mrs Balfort

## Book Club

Our final Book Club order form for the year is coming home this week. If you would like to order from this issue please complete and return the order form to school by Friday November 24th. This should allow enough time for the order to be filled and delivered to school. I would like to thank all the children, parents and grandparents who have purchased books through Book Club and our Book Fair this year. It is wonderful to see so many children still value and truly enjoy books. I would also like to thank Cindy (Year 5) who has been the chief organiser of a happy little band of students who organise the date stamping and distribution of the Book Club brochures throughout the year. I could not have done it without them....Bree, Emma, Elie, Halli, Amelia, Natasha, Vivienne, Ella, Tehya. You girls rock!

## Year 6 Photo Request

Could the students in Year 6 please bring in a maximum of 6 photos to scan? These photos should be from various times in their life to date so the students can put together their own page in a Year 6 Class of 2017 Keepsake Book. We will use this book as the basis for the traditional slideshow presentation shown to everyone at the conclusion of the End Of Year Disco. Whilst we all love to have a laugh, please make sure these photos are suitable for a G rated time slot!

Thanking you in advance.

**Mrs D and Mrs Atkins**

## T-Ball

A number of children have enquired about a local T-Ball competition. There is a T-Ball game in Mudgee on Saturday mornings at Jubilee Oval beginning at 9am and is finished by 10:15/10:30. This allows the game to be played in the coolest part of the day. The children do not have to be part of a pre-arranged team to take part. They simply turn up on Saturday morning in T-shirt, shorts and joggers, happy to play. Each child does need to have a mouth guard and shin guards to play. (A drink bottle full of water is a great idea too!) The local club has bats/ gloves/ mitts that the children can borrow. I know Mrs B's children played in this competition and loved it, as did mine when they were primary school aged. Perhaps your child would enjoy playing this inclusive sport and learn some new skills along the way?!? **Mrs D**
