### TELL THEM FROM ME PARENT SURVEYS

Our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing & engagement. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements. The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will

typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between **14 - 22 September**. Although participating in the survey is entirely **voluntary and anonymous**, your responses are very much appreciated. More information about the survey is available at: <http://surveys.cese.nsw.gov.au>. To access the survey for our school go to:

<https://nsw.telldthemfromme.com/dpspg>

where parents will be able to move from table to table and have their say about the future directions for our school. Attached as an expression of interest to see which time the bulk of our parents would prefer. Please fill it in and return it to school by the end of next week and we will start organising the meeting for Term 4.

### SCHOOL PLAN

We would like to gather Parents' input into our 2018-2020 school plan. The school would like to host a 'World Café' style meeting early next term. It will be very informal and coffee and cake will be provided. The meeting will go for approximately 1 hour and will be run as a circuit,

### PARENT TEACHER MEETINGS

Meetings are next week and appointments can be made either through calling the school directly or on the online booking program PTO.

## P&C News

### SPRING WORKING BEE—Volunteers Needed!

To prepare for the construction of our new shed and the next stage of our veggie garden extension, we are holding a working bee on Sunday the 17th of September between 9am and 1pm.

Come along and join in the fun of gardening, sorting, cleaning, clearing, and much more. This is an exciting project for our fabulous little school, so if you have some free time to lend a hand we would really appreciate it!

Jobs we will be focusing on during the morning will be, to empty and sort the contents of existing shed and old chook pen, installing and filling our new veggie garden beds, and spreading wood chip mulch, plus putting together our newly purchased mini green house.

Extra equipment that would be helpful on the day would be shovels, rakes, wheelbarrows and a trailer or two. We are also looking for someone with experience in irrigation systems installation.

Many hands make light work so if you would like to get involved please give me a call on 0429331182.

Thanks,

Kelly Lus
