## From the principal's desk...

### FLIGHT DAY

Confirmation letters were sent to everyone who is eligible to go yesterday. It will be held on 22nd October. A reminder will be sent home closer to the date.

### PARENT-TEACHER MEETINGS

Our second lot of Parent Teacher meetings for this year are being completed this evening. Thank you to the parents who made time to come and discuss their child's learning and were very patient when some interviews went overtime! Thank you also to the class teachers who gave up significant amounts of their own time to ensure all parents could be accommodated.

### TELL THEM FROM ME

Tomorrow is the last day to have your say in the TTFM survey. It will close at 4pm. Thank you to anyone who has made the time to participate. Your responses will go towards the driving of our schools future directions.

### WORKING BEE

An enormous **THANK YOU** to the following families who came along and supported our school at our working bee last Sunday.

**Alisa Burlington**  
**Monica and Rohan Fielder**  
**Bec and Dave Guilfoyle**  
**Kelly and Tim Lus**

**Bec Mackander**  
**Rachel and Glenn Maher**  
**Shannon and Darren Morris**  
**Leanne Ridley and**  
**Sandra Stroud.**

Everyone worked so hard...even people who were unwell came to give a hand. It was a great day and we achieved so much. Thank you again for your tireless work and enthusiasm in supporting our school.

I'd also like to thank **Mid Western Regional Council** for kindly donating soil for our garden beds. A huge thank you also goes to **Kutchas** for their donation of wood chip.

### TERM 4 RELIEVING PRINCIPAL

At present the relieving principal for RPS Term 4 has not been decided. Mrs Toni MacDonald, Director Public Schools Bathurst, will be finalizing applications tomorrow. Thank you for all the warm wishes on my new adventure in Term 4. I am sure I leave my beloved school in caring hands and trust the relieving principal will maintain the levels of excellence you have come to expect from RPS. Thank you to the teachers (and Mrs Grant!) who have supported me in this endeavor and will carry on doing amazing things next term!

the day.

"Our first session of the day was watching a presentation by Ruben Meerman, also known as The Surfing Scientist."

## Green Day

Two weeks ago, 5 / 6 travelled to Mudgee to attend Green Day. This year's theme GoMAD (Go Make A Difference) aimed to provide the students with hands-on practical tips on implementing solutions on key environmental issues around water, energy, waste and biodiversity. Our first session of the day was watching a presentation by Ruben Meerman, also known as The Surfing Scientist. He was very entertaining and most informative. Then the students enjoyed three different activities – learning about weeds and how the local council can help us to Make A Difference and control their spread. This was followed by a hands-on activity by the Royal Agricultural Society, where we learned how we can Make A Difference by making our own compost. Our third activity was a very memorable session with a local Environmental Scientist called Natalie who helped us to 'see' how we can make A Difference by paying more attention to what we put down the sink and the toilet. **Mrs D'Illo**

## Super 8's Cricket

Last Friday the whole of the 5-6 class travelled to Mudgee to participate in the Milo Cricket Day. RPS entered 3 teams – 1 x girls, 1 x boys and 1 x mixed. Each team played 4 games during the day. Each team won 2 games and lost 2 games. Most importantly, everyone had a great day... lots of laughing, smiling and giggling, cricket and dancing skills on display throughout the day. We would like to thank

all of the Mums and Dads who transported us there. A special thanks to Kate Reid and Jarrod Cooper who took on Manager's roles on the day to ensure each of our teams had an adult with them at all times. I was very proud of the children. Everyone represented their school with pride and sportsmanship.

**Mrs D'Illo**

## SRC

The SRC will be holding a 'High Tea' event for all students next term. This is to celebrate our 160th birthday. The children have been planning tasty treats for children as well as show bags and fun activities. More details will be sent home at the beginning of next term. The date set for this fun event is Thursday 26th October.

If anyone has plants, succulents, etc, for our dinosaur garden we would be happy to plant them next to Arpsaurus Rex.

**Mrs Balfourt**

## Infants Sports Day

We will be hosting the combined Rylstone / Kandos Infants Sports Day on Wednesday 1st October. A permission note will be sent home at the beginning of next term outlining details and calling for helpers.
