Rylstone Review

Term 1, Week 1

Thursday, 1st February 2018

Just a reminder...
'ODD' weeks will be a small newsletter with just basic information.
'EVEN' weeks will be larger and feature class items and more detailed P&C information.

Due to the swimming carnival next week, the newsletter will go home on Friday rather than its usual day of Thursday.

A term planner will be attached to this newsletter for you to keep on the fridge and update as activities arise.

From the principal's desk...

WELCOME BACK!

It was so wonderful to see everyone's happy, smiling faces on Tuesday. Everyone looked fabulous in their summer uniforms. We only had to give out a few Band-Aids for new shoe blisters!

Our students settled straight in to work and excitedly told their friends about their holiday escapades. It was such a hot day...some of us began to wilt in the afternoon but overall, everyone had a marvellous start to 2018.

Kinder arrived yesterday and they were like experienced 'old hands' they all seemed so excited and chatty! They look so tiny in their uniforms and it always amazes me how much these little ones grow and flourish over the year. It's hard when I look at my competent, confident year ones to remember they were also so little just 12 short months ago!

Our teachers at Rylstone have fully embraced student lead learning and flexible, future focussed learning spaces. After a year of trialling, it appears to be extremely successful and

the results have been most impressive. If you get an opportunity pop into a classroom to see what education in the future will look like! I am very proud of how forward focussed and progressive our staff are!

MEET THE TEACHER

Monday 12th February will be our Meet The Teacher evening. It will run from 5:30pm with a general welcome and information session in the 5-6 room. Then parents have the opportunity to meet their child's teacher and have a look at their classroom. A sausage sizzle will be provided for a light snack. Just a reminder it is not parent-teacher meetings but rather a casual 'get-to-know-you' session and information about what your child's class will be doing this year.

I'm so happy to be back at my beloved school and am excitedly looking forward to another fantastic year full of exciting opportunities and challenges. If at any

time you have a question or concern please do not hesitate to contact me at school or on my email:

2018 Library Information

Welcome to a new and exciting year in the Library! I just wanted to let everyone know which day will be library borrowing day for each class this year. **Monday** will see **5/6** borrowing, on **Tuesday** it will be **Kinder**, **Wednesday** will be **3/4** and **Thursday** will be **1/2**. To try to keep Library books separate from Home Readers and children's own books from home. Could Library books please be kept in a Library bag when they are being carried to and from school please? This also provides one extra layer of defence between the Library book and any 'exploding' lunch boxes in children's bags! (Yoghurt goes a l-o-n-g way!) A Library bag can be any bag you have at home – preferably cloth – or there are some available for purchase through the school for a cost of \$5. If your child would like one of these, please get them to see me. Happy reading,
Mrs D
