

# Rylstone Review

Term 2, Week 6

Thursday, 6th June 2019

## From the principal's desk...

### CRAZY HAIR

Thank you to everyone who donated on Crazy Hair Day. It was a great day and between our donations and purchasing of Nona's doughnuts, we managed to raise \$600 for the Junior Diabetes Research Foundation. Thank you to Rachel and Glenn Maher for organising the day and prizes and an enormous congratulations to William who was the instigator behind the day and bravely volunteered to get his curls cut off to help raise money!

The effort put into some of the crazy hairstyles was truly amazing!

### ZONE CROSS COUNTRY

Today was our Zone Cross Country. Our school hosts this for the Cudgegong PSSA every year. It is an enormous amount of work behind the scenes for our staff and P&C, but it brings competitors and their families from all over our region into our town.

I'd like to thank Mrs D'Ilio for her herculean effort of organising the entire day and multiple students and schools.

A huge thank you also to our hardworking P&C who ran their food stall on the day, catering for 100s of runners and their families.

Please don't hesitate to contact me on [Jodee.Burcher@det.nsw.edu.au](mailto:Jodee.Burcher@det.nsw.edu.au) or make an appointment by calling the office on 6379 1404.

**Jodee Burcher**  
Principal

## Dates for your calendar ...

### June

- 6th...Zone Cross Country
- 7th...Atlantic Ocean assembly item
- 10th...Queen's Birthday Long Weekend
- 11th...Bathurst Netball
- 12th...Responsible Pet Ownership (Southern Ocean)

20th...Visit from KHS Yr 7 Advisor Mr Vaughan

21st...Pacific Ocean assembly item

### July

2nd...Yr 6 Transition Day

3rd...Yr 6-7 Transition Talk

5th...Southern Ocean assembly item

ARPY Assembly

# Around the classrooms...

## Southern Ocean (K-2)

### Kindergarten

The students had a wonderful time with Crazy Hair Day! The creations were amazing!!

Winter has well and truly hit! We have had some chilly mornings and thick frosts already in our first week of winter. I make sure that I am wearing a singlet every day to keep nice and warm.

In Maths, we have been looking at 'Multiplication and Division'. We have been doing this by sharing objects equally. The students make sure that each group has an even amount of objects. We do this by counting them out one at a time and then checking that each group has the same amount.

*If I had a 6 apples and 3 people... How many apples would each person get if I shared the apples equally?*

We read 'The Monsters' Party' last week. Kindergarten had a lot of fun designing and making their own monster. We wrote about the special powers that our Monsters had! What power would your Monster have?

In Southern Ocean we looked at Kadinsky's Concentric Circles for Art. The students listened to classical music as they worked and we created our own interpretation of his concentric circles. Did you know that Kadinsky could see colour when listening to music?

**Ms Jacklin**

### 1-2

We had so much fun with our Crazy Hair. Thank you to all the parents / grandparents / relatives and friends who helped to produce some truly amazing hairdos for this special day. The enthusiasm shown by the children was heart-warming to say the least! We have continued to learn about bees. On Monday, we watched an informative video so we could learn about harvesting honey from a bee box. The children can tell you what tools are used, why the safety gear is worn, why certain frames are chosen and not others, how the honey is removed from the frame and how all the excess beeswax is separated from the actual honey. We then followed a guided drawing lesson to draw our own honey bee. These look brilliant! All individual and all recognisable as a bee. In Numeracy last week we concentrated on the multiplication skill of grouping and this week, on working out the volume of objects. We are practising our catching skills and learning how to bounce pass a ball to our

partner. We have also been learning some dances to warm ourselves up on these cold days. We can all do the *Heel-Toe Polka*, which is a progressive Bush Dance! We have also mastered the *Chicken Dance* and the *Hockey Pokey* so we are ready for any upcoming school discos! Now we are learning some songs to sing together. We are trying to master *Kookaburra Sits in the Old Gum Tree* as a round, at the moment. The Southern Ocean is a very productive and fun place to be!

**Mrs D**

## Atlantic Ocean (3-4)

In the Atlantic Ocean we have been focusing on multiplication and division. We have also been looking at rounding numbers to the nearest ten, hundred and thousand.

The students have created some great artworks linked to their science unit about living and non-living things. They have each completed a drawing of a robin and created a leaf artwork using different techniques.

We hope to see you at our class assembly item on Friday.

**Miss Burns**

## Pacific Ocean (5-6)

This week in the Pacific Ocean for sport we have been doing lawn bowls with Mr Clarke. He showed us how disabled people play lawn bowls and what they used to play. He told us a man played lawn bowls for Australia on a skateboard. We all had a turn in wheelchairs, with blindfolds and with ramps. It was really fun.

Unfortunately Mr Clarke's last week was week 5 and we wish he could have stayed for longer. Everyone in the Pacific Ocean had such a good time doing lawn bowls with Mr Clarke.

**Sophie and Ryan**

Grab a hot  
Milo on Friday  
mornings

## SRC News

### Hot Milo Fridays & Recycling

Come and warm your hands around a cup of warm Milo while you sit and chat with some friends on Friday mornings. At the cost of \$1, it is a fun and sociable way to finish off a week at school with friends. We are still collecting cans, poppers and plastic bottles for recycling. Please remind your child if you are sending a drink to school with them in one of these

forms of packaging, that it can be recycled. The SRC appreciates all the donations families have been making to this form of their fundraising.

**SRC**

## Zone Cross Country Book Club

A full report on this wonderful event will appear in the next newsletter along with some fabulous photos (hopefully). We do hope that everyone who represented Rylstone Public School today enjoyed their run and represented their school with pride.

**Mrs D**

Thank you to everyone who ordered books from Book Club again this time. All orders have been given to children during the course of this week. The new brochures should possibly go home with children next week!

**Mrs D**

## Curl for a Cure—Crazy Hair Day

The Maher family would like to give a huge thank you to our wonderful school community for hosting CRAZY HAIR DAY. Everyone was blown away by the effort that was put into creating some spectacular hair dos. Thanks to the generosity and the love of Nonna's beautiful donuts, our little school raised \$660.15. This goes to Will's charity, Juvenile Diabetes Research Foundation. Who are working tirelessly to find a cure for Type 1 Diabetes. Thank you!

**Rachel Maher**

## Getting Ready to Go Digital

Last term we introduced parents to the Sentral Parent Portal with the booking of parent teacher interviews. If you didn't manage to set up your portal for the bookings now is the time to do so. Parents should have received a letter or an email with instructions on how to setup their portal and then link to their children. This can be done on a computer or a phone/tablet via the Sentral app. See the links below for videos explaining how to set up your portal. If you would like some help

you are welcome to call the office or make a time to come in and help me set you up.

Next term we hope to introduce a new digital newsletter format as well as giving parents access to the attendance module.

## P&C News

### Raffle Fundraiser

Thank you to everyone who has supported our raffle this term. Congratulations to the prize-winners: 1st Prize: Orlando McCouat, 2nd Prize: Renee Murray, 3rd Prize: Marilyn Comer.

### Canteen Meal Deal

Our next canteen meal deal will be on Friday 14 June. Please see menu attached to this newsletter. Orders are due Tuesday 11 June.

### Uniform Shop

The Uniform Shop is open every **Friday** morning from 9am-9.30am. The Shop can now accept electronic payments, both credit and debit cards and cash is also welcome! If you need to make a purchase and cannot come in at this time please call Sandra on 0419 149 478 to arrange another time.

### School Banking

Students need to bring their deposit and deposit book to the Uniform Shop on **Fridays** from 9am - 9.20am.

If you would like your child to join the program, or need further info see the Commonwealth Bank website <https://www.commbank.com.au/banking/school-banking.html>

### Next Meeting

Monday 24th June, 3.30pm in the School Hall. All welcome!

Sandra Stroud

Nutrition Snippet

## The simplest way

... to make rainbow sushi.

**Ingredients** (serves 4)

1 ½ cups sushi rice

4 tbsp sushi vinegar

185g can of tuna, drained

1 tbsp mayonnaise

4 nori sheets (dried seaweed)

Veg cut into thin strips

- ½ carrot, ¼ capsicum, ½

raw, peeled beetroot, 5cm cucumber, ½ avocado

**Method**

Cook rice according to packet instructions. Fluff the rice with a fork and pour over the sushi vinegar. Stir well to combine. Spread the rice on a baking tray to cool. Mix the tuna and mayo together.

Lay a nori sheet on a bamboo sushi mat, shiny side down. With wet fingers, spread ¼ of the rice over ¾ of the sheet, leaving a ¼ of the sheet clear at the end furthest away from you. Place the tuna and veg across the rice. Using the bamboo mat, roll the sushi away from you stopping where the rice ends. Brush some water along the rice free nori and finish rolling, pressing gently to seal. Repeat with the rest of the sheets. Dip a sharp knife in water and cut the sushi into pieces.
